Purchase a variety of cancer related clothing supports for breast cancer patients

### **Breast Cancer Detection Center \$20,000**

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

### **Let Every Woman Know \$5,000**

Scholarships for breast cancer survivors taking part in EXTRA TOUGHHS program

### **Alaska Community Action on Toxics \$16,560**

Statewide action organization addressing environmental exposures to breast cancer

### **Kachemak Bay Family Planning Clinic \$30,000**

Outreach and early detection of breast cancer on the Kenai Peninsula

### **Affinityfilms, Inc. \$10,000**

Partial funding for two media projects: Understanding Lymphedema and Why Did I Get Breast Cancer

### **Anchorage Young Cancer Coalition \$5,250**

Restorative retreat for young cancer survivors

### **UAA Clinical Research: Holly Martinson & Max Kullberg \$15,000**

“Targeted Drug Delivery to Re-program Immunosuppressive Cells in Breast Cancer”

### **Breast Cancer Research Foundation \$36,300**

Scientific clinical research

## 2019

### **YWCA Women's Wellness Breast & Cervical Program \$50,000**

Designed to reduce breast and cervical cancer mortality and increase access to healthcare for at-risk women statewide.

**Alaska Run for Women Mammogram Program \$25,000**

Administered by the YWCA providing mammograms to underserved women

**American Cancer Society \$3,000**

Purchase a variety of cancer related clothing supports for breast cancer patients

**Breast Cancer Detection Center \$20,000**

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

**Let Every Woman Know \$7,500**

Scholarships for breast cancer survivors taking part in EXTRA TOUGHS program

**Alaska Community Action on Toxics \$6,300**

Statewide action organization addressing environmental exposures to breast cancer

**Kachemak Bay Family Planning Clinic \$30,000**

Outreach and early detection of breast cancer on the Kenai Peninsula

**Anchorage Neighborhood Health Center \$30,000**

Partial funding for C-View software purchase which reduces radiation exposure during mammograms.

**Norton Sound Health Corporation \$16,000**

Provides funding for outreach in their region, emphasizing breast cancer detection and encouraging clinical breast exams and mammography.

**UAA Clinical Research: Holly Martinson & Max Kullberg \$15,000**

“Targeted Drug Delivery to Re-program Immunosuppressive Cells in Breast Cancer”

**Breast Cancer Research Foundation \$33,800**

Scientific clinical research

**Each year up to 30% of funds raised is granted to research projects. All research grants are listed at the end of each year’s summary above.**

**GRAND TOTAL Cash & Donated Mammograms to Date: \$4,926,379**
