Administered by the YWCA providing mammograms to underserved women

American Cancer Society \$8,890

Purchase a variety of cancer related clothing supports for breast cancer patients

Breast Cancer Detection Center \$20,000

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

Let Every Woman Know \$5,000

Scholarships for breast cancer survivors taking part in EXTRA TOUGHS program

Alaska Community Action on Toxics \$16,560

Statewide action organization addressing environmental exposures to breast cancer

Kachemak Bay Family Planning Clinic \$30,000

Outreach and early detection of breast cancer on the Kenai Peninsula

Affinityfilms, Inc. \$10,000

Partial funding for two media projects: Understanding Lymphedema and Why Did I Get Breast Cancer

Anchorage Young Cancer Coalition \$5,250

Restorative retreat for young cancer survivors

UAA Clinical Research: Holly Martinson & Max Kullberg \$15,000

“Targeted Drug Delivery to Re-program Immunosuppressive Cells in Breast Cancer”

Breast Cancer Research Foundation \$36,300

Scientific clinical research

TOTAL: \$222,000

2019

YWCA Women’s Wellness Breast & Cervical Program \$50,000

Designed to reduce breast and cervical cancer mortality and increase access to healthcare for at-risk women statewide.

Alaska Run for Women Mammogram Program \$25,000

Administered by the YWCA providing mammograms to underserved women

American Cancer Society \$3,000

Purchase a variety of cancer related clothing supports for breast cancer patients

Breast Cancer Detection Center \$20,000

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

Let Every Woman Know \$7,500

Scholarships for breast cancer survivors taking part in EXTRA TOUGHS program

Alaska Community Action on Toxics \$6,300

Statewide action organization addressing environmental exposures to breast cancer

Kachemak Bay Family Planning Clinic \$30,000

Outreach and early detection of breast cancer on the Kenai Peninsula

Anchorage Neighborhood Health Center \$30,000

Partial funding for C-View software purchase which reduces radiation exposure during mammograms.

Norton Sound Health Corporation \$16,000

Provides funding for outreach in their region, emphasizing breast cancer detection and encouraging clinical breast exams and mammography.

UAA Clinical Research: Holly Martinson & Max Kullberg \$15,000

“Targeted Drug Delivery to Re-program Immunosuppressive Cells in Breast Cancer”

Breast Cancer Research Foundation \$33,800

Scientific clinical research

TOTAL: \$236,600

2020

Affinityfilms, Inc. \$9,000

Partial funding for two visual arts projects highlighting issues of survivorship in women with breast cancer.

Alaska Community Action on Toxics \$20,000

Statewide action organization addressing environmental exposures to breast cancer. This year's funding is to impact the incidence of breast cancer among Alaska Native women.

Alaska Run for Women Mammogram Program \$25,000

Administered by the YWCA providing mammograms to underserved women

Breast Cancer Detection Center \$24,000

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

Let Every Woman Know \$8,000

Scholarships for breast cancer survivors taking part in EXTRA TOUGHHS program

Kachemak Bay Family Planning Clinic \$40,000

Outreach and early detection of breast cancer on the Kenai Peninsula

Providence Alaska Medical Center \$3,000

Purchase post-mastectomy support items for breast cancer patients

UAA Clinical Research: Holly Martinson \$15,000

“Eliminating Breast Cancer Immune Suppression using Myeloid Targeted Nanoparticles”

Breast Cancer Research Foundation \$50,000

Scientific clinical research supporting 16 existing clinical trials

TOTAL: \$194,000

2021

Affinityfilms, Inc. \$10,000

Dissemination and distribution of two visual arts projects highlighting issues of survivorship in women with breast cancer.

Alaska Community Action on Toxics \$20,000

Statewide action organization addressing environmental exposures to breast cancer. This year’s funding is to impact the incidence of breast cancer among Alaska Native women.

Alaska Run for Women Mammogram Program \$15,000

Administered by the YWCA providing mammograms to underserved women

Breast Cancer Detection Center \$24,000

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

Casting for Recovery \$19,000

Fly fishing retreats for breast cancer survivors

Kachemak Bay Family Planning Clinic \$30,000

Outreach and early detection of breast cancer on the Kenai Peninsula

Let Every Woman Know \$8,000

Scholarships for breast cancer survivors taking part in EXTRA TOUGHS program

Maniilaq Health Corporation \$5,270

Lodging expenses for women coming to Kotzebue for breast imaging

Providence Alaska Medical Center \$5,000

Purchase post-mastectomy support items for breast cancer patients

YWCA Women's Wellness Program \$15,000

Supports outreach and education efforts in the Anchorage area for at-risk women

American Cancer Society \$10,000

Clinical research project "A Precision Medicine Approach to Breast Cancer Early Detection"

Breast Cancer Research Foundation \$40,000

Scientific clinical research supporting 16 existing clinical trials

TOTAL: \$201,270

2022

Alaska Community Action on Toxics \$27,625

Statewide action organization addressing environmental exposures to breast cancer. This year's funding is to impact the incidence of breast cancer among Alaska Native women.

Alaska Run for Women Mammogram Program \$15,000

Administered by the YWCA providing mammograms to underserved women

Breast Cancer Detection Center \$25,000

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks; provides partial funding for a new mobile mammography coach

Casting for Recovery \$24,000

Fly fishing retreats for breast cancer survivors

Kachemak Bay Family Planning Clinic \$33,625

Outreach, education and early detection of breast cancer on the Kenai Peninsula

Let Every Woman Know \$8,000

Scholarships for breast cancer survivors taking part in EXTRA TOUGHS program

Providence Alaska Medical Center \$10,000

Provides post-mastectomy support items for breast cancer patients

American Cancer Society \$10,000

Partial support of a clinical research project entitled *Functional Impact of Progesterone Receptor Gene Mutations in Breast Cancer*

Breast Cancer Research Foundation \$45,000

Scientific clinical research supporting translational clinical research

UAA Clinical Research: Max Kullberg \$15,000

“Eliminating Breast Cancer Immune Suppression using Myeloid Targeted Nanoparticles”

TOTAL: \$213,250

2023

Affinityfilms \$10,475

Multimedia project designed to raise awareness to the realities and concerns of women living with metastatic breast cancer

Alaska Community Action on Toxics \$25,875

Statewide action organization addressing environmental exposures to breast cancer. This year’s focus is on younger women

Alaska Literacy Project \$2,000

Funding will support continued development of a Peer Leader Navigator project designed to create greater breast cancer awareness in culturally diverse communities in the Anchorage area

Breast Cancer Detection Center \$25,000

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

Casting for Recovery \$18,000

Fly fishing retreat for breast cancer survivors

Kachemak Bay Family Planning Clinic \$40,000

Outreach, education and early detection of breast cancer on the Kenai Peninsula

Maniilaq Health Center \$12,233

Funding will support a 3-day retreat for 20 Alaska Native women with breast cancer in order to create a shared Inupiat community

Providence Alaska Medical Center \$25,000

Provides free post-mastectomy and lymphedema support items for breast cancer patients

Wild Energized Life \$22,100

Funding will provide scholarships for breast cancer survivors to participate in the Extra Toughs program

American Cancer Society \$12,500

Partial support of a clinical research project focused on development of an AI-based technology to better predict future risk of breast cancer

UAA Clinical Research: Max Kullberg \$57,500

“Eliminating Breast Cancer Immune Suppression using Myeloid Targeted Nanoparticles”

TOTAL: \$250,683

Each year up to 30% of funds raised is granted to research projects. All research grants are listed at the end of each year’s summary above.

GRAND TOTAL Cash & Donated Mammograms to Date: \$5,785,582
